**Committee Reports:**

There are currently no committees.

**Under old business:**

There was a discussion about the Bucholtz property still not being cleaned up. It was discussed that they had been brought to court before in 1980's. Rich is going to discuss this with the Teller County sheriff's office rep for compliance.

**Under new business:**

We discussed Short-term rentals in our community and how they have affected our community. Justin Powell said that he had bought his place for his family and to rent. Rich said that he would have to see what could be done about short-term rentals and how the community felt about them.

Rich suggested that we talk to the community and find out how everyone feels about short term rentals in our community.

Rich will be holding a few small discussion sessions to see how people feel about different issues in our community. He will be notifying everyone when these will be held.

There being no further business the meeting was adjourned.

Respectfully submitted,  
Nancy Hess, Recording Secretary
